All presidents or representatives of neighborhood and homeowners associations were asked to vote on this selection. (Approved 11-0)

Council Member Cole provided the following statement:

- Thank you to all that have participated in this process. I want us to prove that this form of process will be how we will work our DAB. I have the challenge to fill the other seats to meet the diversity of this district. I will be doing this later in the week.
- I already have two candidates in mind. Dr. Clarence Wiley, African-American, long-standing member of the community and volunteers his time in the *gang tattoo removal program*. He could serve this district very well. Also, Mr. Bickley Foster, Planning Consultant is a candidate I will look at. His expertise in this field will be beneficial as planning and zoning cases will be closely looked at.
- Alternate members will be asked to serve as possible chairpersons for short-term task force planning.
- The first Monday of the month will be the regularly scheduled meeting for DAB VI. If needed, a second meeting will be on the third Monday of the month. This was set to accommodate the neighborhood monthly meetings and help to stay in the timelines of the MAPC meetings. We will be able to make recommendations prior to cases being heard.
- Early on in our process, I would like to find out what projects that the DAB wants to work on. We need to all know more about each neighborhood association and the problems they face. This is very important.
- An orientation session will be held on Saturday, April 8, Century II Expo Hall, from 8:30 a.m. – 1:30 p.m. for all DAB members.

Following the discussion, Council Member Cole again thanked everyone for participating in the process for DAB selection.

The next DAB VI meeting has been scheduled for Monday, March 27, 2000, in the first floor boardroom of City Hall, 455 N. Main.

There being no other business, the meeting was adjourned at 3:10 p.m.

Respectfully submitted,

Terri Dozal
